BULLETIN NO. 2

HENRY B. CHASE, President

ROBERT C. CHASE, Treasurer

CHARLES F. CHASE, Secretary

CHASE NURSERY COMPANY

INCORPORATED

HUNTSVILLE, - - - ALABAMA

TO THE TRADE:

Herein find list of our stock to-day. Something of most everything and no big stock of anything. It certainly looks like a clean deck next Spring.

Can ship immediately (except Imported Stocks, Seedlings etc., as noted) or will hold for Spring shipment as you wish. Don't delay order—first come, first served.

You might read the little notice headed "Promptness" with no bad results and while in the notion, take a look at the Testimonials—and smile with us.

The cost of boxing is in addition to prices named.

Yours very truly,

CHASE NURSERY COMPANY.

FREIGHT PREPAID to St. Louis, or Hannibal, Mo., Rochester, N. Y., and Philadelphia, Pa., on all orders that we can forward in our regular Car Lots to these Points.

Try us on such occasions.

TESTIMONIALS

Under our present title we have been in business only eighteen months and while we have been highly pleased with the cordial reception given us by the Nursery Trade, yet, we know there are many Nurserymen not personally acquainted with us who may hesitate to place orders with a new concern.

We submit the following as evidence that we have the "Know How". Please bear in mind that these expressions are unsolicited and from Nurserymen only, men who know what good grading, good packing and good treatment mean. No matter where you are if you need anything in this list we will guarantee to put it into your hands in good condition and that our grades will run according to specifications.
